February Admin Message 2020

As we started a New Year, many great things have been happening at St. Gregory the Great Catholic School. We celebrated our Epiphany Mass at St. Stephen's Parish and had our BGR8! Assembly in our gymnasium. Our basketball teams are in full swing and are doing a great job of representing St. Gregory the Great Catholic School. We also came together in community during Battle of Alberta Day, Hawaiian Shirt Day, and Read for 15 where we read in our Family Groups during our Read-a-Thon kick off!

Our School Council is running our first ever Read-a-Thon as a major fundraiser to support field trips, school activities, and a new basketball hoop on our tarmac. Our goal is to raise \$6000!! Students will get pledges as they continue to build their love of reading. There are many great prizes for the students to win throughout the Read-a-Thon. There has been a lot of excitement as we had our kickoff assembly, literacy afternoon, and weekly draws. The Read-a-Thon goes until Feb. 25.

A BIG thanks to all of our parents for working with us on our parking. We know it gets busy out front of the school in the morning and we have appreciated all of your support. Thanks for pulling all the way to the front of the drop and go lane, parking in the assigned parking spots or on the street, not using the bus lane, and for not using Iron Ridge Intermediate Campus' parking lots. Also we just want to remind parents not to park in the handicap parking spots or use the staff parking lot. Your help in this matter has really improved our drop off experience.

Just a reminder to all parents that if you are looking for important dates and events, our school calendar is frequently updated and we post on Facebook and Instagram. Parents can check our website for our Week at a Glance as it provides an up to date look at the week ahead. Also, our staff is really focusing on updating parents each week through email, Remind, or through a website. We are striving to keep our parents informed of all the great things happening at St. Gregory the Great!

Please continue to check into PowerSchool to view your child's progress online. Teachers will update you when there is something that has been posted. If you are having difficulty logging into PowerSchool or navigating around the site please connect with your child's homeroom teacher or call the office. We will be happy to help you in any way we can.

We are excited for another great month at St. Gregory the Great Catholic School. Just a reminder that our students have a week off starting on Feb. 17 and we will resume classes on Feb. 24. Please feel free to contact us if you have any questions or concerns.

Blessings to you and your family,

Ike Hanna
Principal

Angela Ward
Vice-Principal

Josh Keith
