

June 15, 2020

Dear Parents/Guardians,

RE: Student Supply Pick Up - Monday June 22-June 24th

Thank you for all your support during this journey of online learning. The partnership between home and school has been truly amazing. This has been a crazy few months, but we got through it together!

In continuing with our Live Reporting practices, we will not be sending home a paper year-end report. All marks and comments will be entered into PowerSchool by June 26th and will be digitally accessible until July 30, 2020. If you can not access PowerSchool, please contact the school for support we will be happy to help! Reporting will be consistent with the Live Reporting process that has been established this year. Assessments will include:

- Marks and Comments for all Core subjects including Religion as per the requirement of Alberta Education.
- Assessments and outcomes covered after March 13, 2020 will contain the descriptor 'DL' for Distance Learning.
- You may also see the indicator 'missing' beside a learning outcome/assessment if the student did not engage in online learning.

As the school year winds down, all **technology, charging cords, books, and instruments** need to be returned to the school to be accounted for and sanitized. The schedule and plan for returning borrowed supplies will be as follows:

- Come to the Eastside of the school and use the Gym Door Entrance. There will be tables for you to place the borrowed technology on.
- If you are returning textbooks, library books or reading program books, there will be bins just outside the gym doors for you to do so.
- Please return all borrowed instruments to the gymnasium as well.

Due to Alberta Health Services directives, we have calculated that only one **PARENT** enters the gym to return material and then leave right after drop off. **We CANNOT have any children in the building during this time.**

<u>Monday, June 22, 2020 Drop Off Schedule</u>	
<u>Time</u>	<u>Grades</u>
9:00-10:00	7-9
10:00-11:00	4-6
