- Oct. 9—PD Day No School
- Oct. 12—Thanksgiving No School
- Oct. 23—PD Day No School
- Oct. 29—BGR8! Celebration: Courage

## Just a Quick Note

It has been an amazing start-up for our school community. Our students have been working incredibly hard, along side our staff, to ensure the highest level of learning can take place, while our new AHS and Alberta Education COVID precautions are being followed. It has been such a joy to be back working with our school community face-to-face!

## Parent Council Update

Thank you to all the parents that came out to our first parent council meeting on September 10th. We voted in our council elects for our upcoming school year and worked together to develop a plan as to how our parent council can continue to support our school community for the 2020/2021 school year. Please join us on October 8th at 6:30pm for our next meeting.

## SGTG Renovation Update

Great news! Our renovations are near completion, therefore our classes are now able to populate their new learning spaces. Our new learning spaces are wonderful and our staff are excited about how this will continue to improve student learning!

## COVID Protocols

As we continue to navigate this new normal of illness and symptoms in our school, please remember to go through the self-assessment with your child prior to coming to school. Please make sure you refer to the Parent Handbook, as well as any AHS information our school/division is sending out in regards to symptoms and protocols.

## Quick Reminder

Just as a quick reminder, parents should start to check PowerSchool as teachers will be adding in assessments for you to see your child's progress over the last four weeks! If you have any questions about this, please connect with your child's teachers.

## Our Faith is Power

It has been a truly amazing Month! We are so fortunate to be able to rest all of our worries and fears on the shoulder of our Lord and continue to go to our Faith as a source of comfort, empathy and understanding. In a time of uncertainty and unease, it is so comforting to know that God has an amazing plan for us and He is always looking out for our school, staff, students and community!

*“Have patience with all things, but chiefly have patience with yourself, Do not lose courage in considering your own imperfections but instantly set about remedying them—every day begin the task anew.”*
