Faith Survey Results

Targeted Areas

We continue to focus on enhancing literacy instruction and intervention at all grades levels. This year our focus is on high-yield strategies to support morphology, vocabulary and reading comprehension.

Professional development opportunities and grade team collaboration will be instrumental in enhancing these literacy practices and improving student literacy development.

100% Parents believe our school encourages students to understand God's mission to help the common good.

100% Parents believe our school encourages students to understand the church's mission to help the common good and students' personal responsibility to actively participate in society- through service to others.

95% Student understand what it means to love and help my neighbor as a Catholic member of our community.

100% Teachers believe they are supported in their faith development.

Future Priorities

- ✓ Students and staff will have the opportunity to participate in service projects as a grade team and as a staff team. These act of service will be provided throughout the school year. We look forward to giving back to our community.
- ✓ Students will visit our chapel each month to participate in Bible Bytes—engaging mini-lessons rooted in scripture. These sessions will inspire students to live out God's word and align with our mission to serve and uplift the community.
- ✓ This year we are excited to recognize student achievement aligning with the Seven Sacred Teachings. Each month, our school community will focus on one of the Seven Sacred teachings. This will be brought to life in classroom activities and school messaging. At the end of each month, students will be recognized in front of their peers and family for portraying this important attribute.
- ✓ We are actively providing parents with authentic opportunities to become involved in their child's schooling. Parents are invited to all school liturgies and all masses at St. Stephen Parish. Other opportunities include Guest Readers at our Read-a-Thon and supporting classroom activities organized by teachers. All parent volunteer opportunities are communicated throughout social media and classroom newsletters.
